

ACCOUNTING SERVICES

Outsourced Back-Office Services

SERVING SMALL & MIDSIZE BUSINESSES

Why Should You Consider Outsourcing?

Business owners have a lot of responsibilities - sales, customer service, employees, marketing, and so much more. It is important for the business to be set up correctly from the beginning to have accurate information. If accounting is not being done or is not correct, it is best to contact William R. Barefoot CPA to start or establish a practical accounting system.

How Can William R. Barefoot CPA, LLC Help?

The firm can setup the accounting system to efficiently record transactions, reconcile accounts, make adjusting entries, and close the books for the period. Services may be remote and, in some cases, on-site.

What Are the Fees?

After an assessment, an individualized proposal will be developed with the recommendations for services and the associated fees. Most proposals include a fixed-price option.
