SERVING SMALL & MIDSIZE BUSINESSES

QuickBooks Online

QuickBooks Desktop (DT) and QuickBooks Online are the leading accounting applications for small and medium-size businesses. William R. Barefoot, CPA uses his knowledge of working on the QuickBooks DT version and has become an Advanced Certified ProAdvisor™ to assist with the transition and on-going use of QuickBooks Online.

Many Features and Potential Issues

QuickBooks DT and QBO are user-friendly programs with many features. Bank Feeds, reconciliations, accounts receivable, fixed assets, accounts payable, inventory, payroll, and sales tax are functions where small businesses frequently need assistance.

Assistance Is Available

With over 25 years of QuickBooks experience, William R. Barefoot CPA is available to assist with QuickBooks Online or QuickBooks DT in a variety of ways from one-time projects to on-going support arrangements.
