When Should I Outsource AP?

Several pain points can indicate it is time to consider outsourcing all or part of your AP function. Paying late fees, missing discount opportunities, growing vendor list, staffing issues (recruiting, retention, training, managing), lack of organization, missing documentation, inefficient processes, inaccurate aging schedules, and fraud concerns are all good indicators it is time to contact William R. Barefoot CPA, LLC.

How Can William R. Barefoot CPA, LLC Help?

Utilizing cloud-based applications, the firm can create an efficient accounts payable system with automation, visibility, and mobility.

What Are the Fees?

Monthly fee plus variable fees based on the number of client users, type & number of transactions, and level of firm support desired. After a detailed analysis, a written proposal with recommendations will be presented.
