

QUICKBOOKS ONLINE CONSULTING SERVICES

SERVING SMALL & MIDSIZE BUSINESSES

QuickBooks Online

QuickBooks Online is a leading accounting application for small and medium-size businesses. William R. Barefoot, CPA is a QBO Advanced Certified ProAdvisor™ and has been providing QuickBooks and QBO consulting for over 25 years. He can assist you with the transition from QB Desktop, initial setup and training and on-going use of QuickBooks Online.

Many Features and Potential Issues

QBO is a user-friendly program with many features. Bank feeds, reconciliations, accounts receivable, fixed assets, accounts payable, inventory, payroll, and sales tax are functions where small businesses frequently need assistance.

Assistance Is Available

William R. Barefoot CPA is available to virtually assist you with QuickBooks Online in a variety of ways from one-time projects to on-going support arrangements. He can help you determine which version is right for your business and with many QBO functions. Fixed-price options are available.
